- Sustainable Environment Award

Shipping Company Award

This Award identifies a shipping company which has responded most effectively to the challenging market conditions during the past 12 months, through operating flexibility or adjustment of its offering to new normal trading conditions.

Port of the Year Award

This award looks into the biggest contribution that a port has made to the development of its infrastructure in the region, recognizing the most innovative strategies which guarantee maximum cargo moving at a dependable and efficient rate.

Leading Classification Society of the Year Award

Commitment to safety, quality, social and environmental responsibility and the classification society's diligent effort and involvement in the training and development of personnel are the basis of this award. Judges will also look through the commitment to customer service and efficiency; network outreach and spread of offices across the region.

Best Ship Agency Award

The main criteria of this award assessed by the judges will be the significant contributions that a ship agency has provided to the maritime industry in the MENA Region.

Newbuilding Yard of the Year Award

This award will recognize the newbuilding yard working towards establishing itself as a provider of choice for marine and offshore advancement in the region

Five Stars Ship Repair Yard Award

This award will honor the ship repair facility which has excelled in meeting the needs of its clients and advancing the technical capability, cost efficiency, environmental reputation and safety of the sector

Key Dates

Submissions Open	10 October 2022
Submissions Close	22 April 2023
Judging Opens	24 April 2023
Finalists Announced	22 May 2023
Awards Evening	20 June 2023

Maritime Training Academy Excellence Award

This award recognizes an educational institution, commercial organization or an individual that has made a major contribution to maritime education and training in the MENA region.

Best Project Innovation Award

New and innovative projects and products which have contributed positively to an individual organization and/or the industry generally, amid the challenges facing the maritime industry, mainly sustainability & zero emissions.

Yacht Company of the Year Award

This award recognizes the ingenuity and craftsmanship of the most remarkable luxury yacht designs, and yachting operational services.

Ship Manager of the Year Award

The ship manager award will honor a ship management company that has shown high levels of effectiveness in managing commercial vessels, a remarkable performance, quality and safety, in growing its business over recent years.

Maritime Personality of the Year Award

This award is presented to an individual who has made major contributions in the maritime industry over the past year.

Top Service Provider in Marine & Offshore Award

This award is presented to a Service Provider company with a diversified portfolio of solutions & services, and a great impact on the marine & offshore industry.

CEO of the Year

This award will be presented to a CEO who represents a leader empowering others, with major contribution/achievement to the shipping industry in any field, that lightens and eases the road towards the future.

The Maritime Safety Award

This award represents the company which has portrayed the best practices of safety and quality improvement initiatives. Judges will examine technical and procedural improvement initiatives that have led to reduction of risk to life at sea/land.

The Green Shipping Award

In this award, judges will examine major initiatives that will accelerate shipping's journey to carbon neutrality. The winner of the green shipping award is a shipping company that led the way in environmentally responsible shipping, with a new product, project or initiative that has significantly improved the protection of the environment.

Best Freight Forwarder & Logistics Award

Looking into the future strategies of logistics and supply chain companies, this award is granted to a port service provider of a new technology, system or a new infrastructure development introduced in the last 12 months, which has made a significant contribution to the advancement of efficiency in the door to door movement of cargo.

The Marine Insurer Award

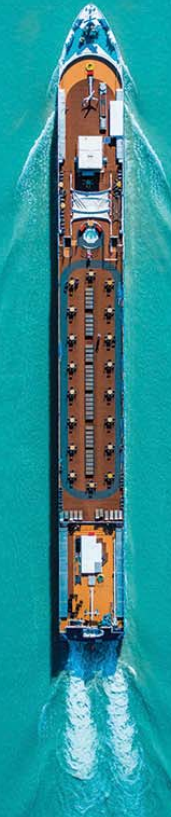

Judges will look at the distinguished skills in representing clients and contributing to the development of maritime insurance within the region.

Social Responsibility Award

This award recognizes the initiatives implemented dealing with health, safety and environmental protection, changes or improvements to the management culture or working practices which promote better understanding of key social issues.

Maritime Youth Award

This award is credited to an individual under 40 who has made an outstanding contribution to the maritime industry.

Best Ship Broker Award

This award distinguishes a shipbroker active in the region's marketplace, delivering superior value to its clients, through successfully originating, structuring and executing sale & purchase, newbuilding, chartering and financial leasing transactions.

Leading Woman in Shipping Award

This award is presented to a woman who has made an outstanding contribution to the maritime industry. It aligns with the various activities undertaken by IMO over the years to make the maritime sector more gender inclusive and enhance the contribution of women as key maritime stakeholders.

Maritime Law Firm of the Year Award

This award recognizes the best shipping law firm in the Mena region, providing expertise to clients throughout the entire maritime industry: insurers, trading companies, owners, charterers, P&I clubs, shipbuilders, financial institutions, port authorities and governments.

Best Maritime Administration Award

This award recognizes a distinguished maritime administration showing notable achievements in the last 12 months, from flag state and port state control performance, to ensuring all safety measures while implementing and enforcing maritime conventions, codes and practices.

Sustainable Environment Award

Innovative implementations that highlight higher standards, unique practices, products, or services with significant environmental sustainability benefits, green supply chain management, energy efficiency and emissions reduction.

NOMINATION PROCESS

Register the awards category	Determine which awards the company intends to be nominated for
Provide supporting documents	Provide information/documents/videos/photos of achievement details that support the award category choice
Complete the nomination	Nominations must be completed, submitted before May 19, 2023

Why to NOMINATE?

Nominees will take advantage of the promotional campaigns launched before the event, as their brand will be visible in all advertising and marketing tools. Your company will benefit from the event's diversity and outreach, being attended by regional government agencies & maritime administrations, shipowners, shipping lines, ports & terminals' operators, shipbuilding and repair companies.

Recognition and Visibility

Robban Assafina Maritime Awards takes every opportunity to publicly promote nominees to a wide variety of press and media forums. Nominees are also featured on the event's website and social media platforms to maximize their exposure to our audience.

Why To SPONSOR?

An exclusive platform to highlight industry-leading businesses and individuals that will help shape the future of shipping for years to come, Robban Assafina Maritime Awards 2023 will be the premier opportunity for all maritime players across the MENA region to highlight their contributions to this ever-changing industry.

The Awards night will host some of the most influential innovators and corporate executives from the maritime industry across the region. So, if you're looking to leverage on the outstanding visibility, recognition, and value the event provides, you're at the right place.

Judged by a panel of industry experts, Robban Assafina Maritime Awards 2023 is building on a reputation of being the MENA region's premier award scheme, and your participation could bring you a host of benefits including unrivalled PR and Media exposure, the opportunity to stand out from your competitors, and the chance to position your team as industry leaders.
